Phonics, Spelling and Reading

English

- Engaging hooks are used to launch each learning journey and create the context/purpose for the writing
- Children are encouraged to become enthusiastic, independent and fluent writers

Please can you write a booklet about our school so I can give it to our visitors when they come on a tour?

Maths

Topics

Place value (tens and ones)

Solve problems with $+$ $-$ $\times$ $\div$

Using knowledge of 2s, 5s and 10s

Fractions: understanding halves, thirds and quarters

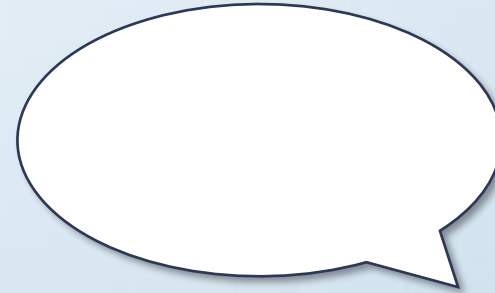

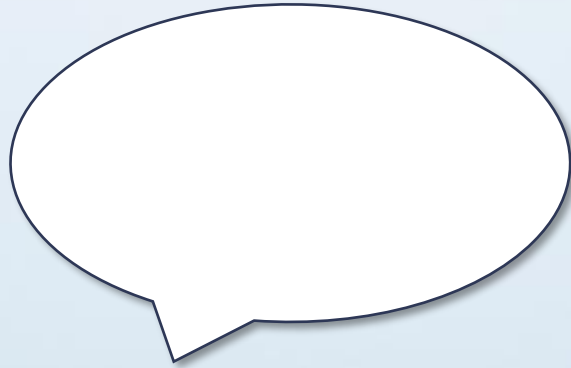

Telling the time – to o'clock, half past, quarter past and quarter to

Using money

Properties of 2D and 3D shapes

Mathematical language

Lots of talk!

Helping at home

Involve your child in 'everyday maths'

Practise counting in 2s, 5s and 10s

Play number bond games and practise doubles

Practise telling the time – o'clock, half past, quarter past and quarter to

Geography and History

- Wonderful weather
- Comparative study
- Brilliant beaches
- Summer term trip – Hayling Island

- Titanic
- Florence Nightingale and Mary Seacole
- Spring Term trip – Titanic Museum, Southampton

- ## Music is taught through fun topics

- **Dragons** - This unit explores dynamics and tempo
- **Christmas is Coming** – This unit explores steady beats and pitch
- **Man on the Moon** – We explore the fact that music can be made up of layers of sound played together
- **Jolly Rogers** – We look at the structure of music , eg chorus and verse
- **Wispy Willow** – Learning to recognise higher and lower notes in music
- **Minibeasts on the Move** – Playing in time to the rhythm of the music

PE

PE is taught using the Oak Academy scheme of work.
It teaches the children explicit skills and learning goals.

- Health and wellbeing
- Dance
- Gymnastics
- Ball skills: passing, dribbling and scoring
- Outdoor adventurous activities / team building
- Running, jumping and dodging
- Hitting and striking
