

Petersfield Infant School's Stay At Home Challenges!

Try to choose an activity to do each day. You can choose more if you want to! Have fun!	
Play some board games. Try snakes and ladders, draughts, Connect 4, ludo...	Draw a map of your local area and highlight any interesting landmarks.
Bake a cake. Help to measure out the ingredients, line the tins and then enjoy sharing it. Take some photos and write some instructions for others to follow.	Design and make an obstacle course at home or in the garden. How fast can you complete it?
Make a fantasy world out of a shoebox. Try underwater, a mythical land or space.	Read aloud to someone. Read with fluency and expression.
Write a story, or a poem for your fantasy world. You could do this as a comic strip.	Make a list of all the electrical items in your home. Can you come up with any ideas to use less electricity?
Try some yoga: Yoga for Kids! https://www.youtube.com/watch?v=X655B4ISakg Cosmic Kids https://www.youtube.com/watch?v=LhYtcadR9nw Yoga Time on the farm. Yoga and Nursery Rhymes https://www.youtube.com/watch?v=YKmRB2Z3g2s	Go star gazing! What can you see? If you are not sure, ask an adult to download 'SkyView' app or a similar one onto their phone to help you. What can you see? Research a constellation. What is its origin? What does it mean? Is there a story attached to it?
Make a menu for a day (week) of meals. Make a shopping list. Help prepare the meal.	How many different words can you make from the letters in: 'Learning from home is fun'
Design a 3-course dinner for a book character. Explain why you have chosen each ingredient. You could create a menu and even cook it - with your parent's permission and guidance!	Do some junk modelling! Can you build something really tall? Can you build something strong enough to race toy cars over?
Design an item of clothing for a famous person: glasses, hat, tie, etc.	Spend 10 minutes every day skipping. Can you do more skips in the time?
Use construction materials to make a house for a character from your current reading book.	Make up a dance routine to a favourite song.
Photography challenge 1: Take a photograph of something in your house that a person 100 years into the future would be interested in. Write an explanation of what it is and how it works.	Write a postcard to your teacher. Tell them what you are missing most about being at school in their class. Don't forget to bring it back in and share it with them. Or you could post it...if you're allowed out!
Photography challenge 2: Take a picture of you reading in an unusual position/place at home.	Write a list of things that make you happy, things that you are grateful for and things that you are good at.

Petersfield Infant School's Stay At Home Challenges!

<p>Create a marble run using some household objects. How can you make it go faster? Slower?</p>	<p>Write a song, or a rap about your favourite subject.</p>
<p>Design a new front cover for your favourite book.</p>	<p>Can you invent something new? Perhaps a new gadget to help people. Draw it, label it and describe how it would work.</p>
<p>Design a school logo to represent our core values. This could be in the shape of a shield, or a cross.</p>	<p>Start a nature diary. Look out of the window and draw, note down what you see. Birds, flowers, changes in weather...what else?</p>
<p>Build a reading den. Find somewhere cosy, snuggle up and read your favourite book.</p>	<p>Can you create your own secret code? You could use letters, numbers, pictures or something else. Can someone else read and crack your code? Can you send messages to one another?</p>
<p>Draw or paint the view from your window. Can you do it in different media?</p>	<p>Use an old sock and create a sock puppet. Can you put on a show? Can you write a play script for it?</p>
<p>Up-cycling. Take an object/item of clothing that you no longer need and make it into something new and useful. E.g. a pair of jeans that no longer fit might make a new bag.</p>	<p>Spend some time each day practising telling the time.</p>
<p>Design a poster to encourage members of our school to save electricity. Please do this on A5 paper as I'd like to display some of these near each light switch in the classrooms.</p>	<p>Learn to sew. Can you make an apron, a soft toy, or a puppet?</p>
<p>How can you show Love, Courage and Respect whilst at home? List different ways you have shown each value.</p>	<p>Spend at least 10 minutes every day doing each of the following: Reading a book Listening to music Doing your Maths Challenge Card Practising your tables Exercising - running, skipping, star jumps, bouncing Colouring, writing or drawing Helping with the jobs - cooking, washing up, cleaning etc Talking to a grown up.</p>
<p>Design a board game based on a book. Can you add some mathematical challenges to it, for example, answering times table questions, using number bonds, doubling and halving etc.</p> <p>Create a diary. Try to 'write' an entry every day. This could be a time-capsule diary, a video/ photographic diary, a written diary.</p>
