

## **Reception Year Induction Parents' Questionnaire responses**

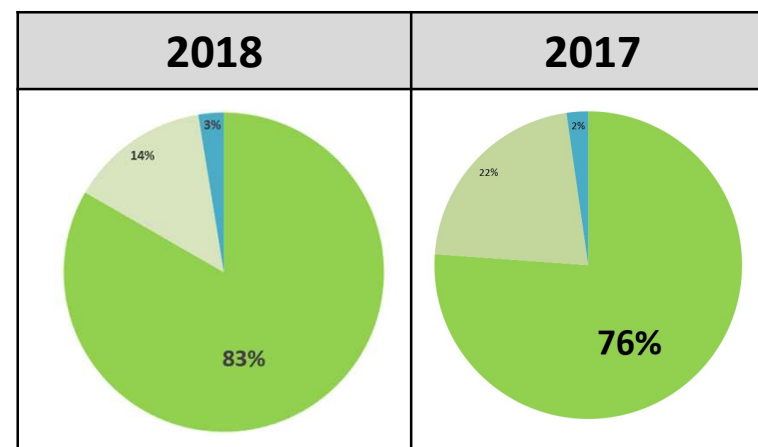

YR Intake 2019/20

*96 responses from 105 pupils on roll = 91% response rate  
(cf 74% last year and 72% previous year). Note smaller pie charts are last year's  
results for comparison*

## The induction meeting was informative and useful

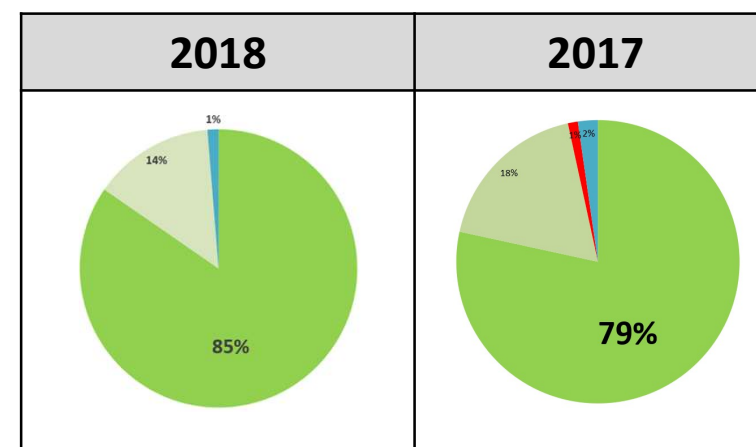

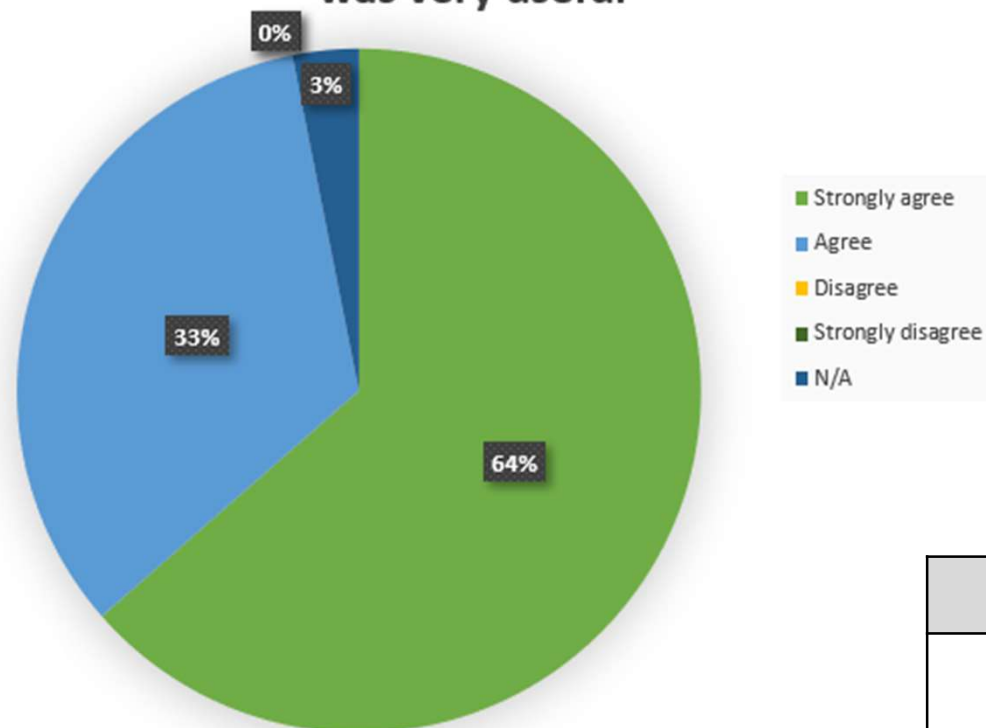

Previous years: Green = Strongly agree; Light green = Agree; Purple (2018) or Red (2017) = disagree; Blue = N/A

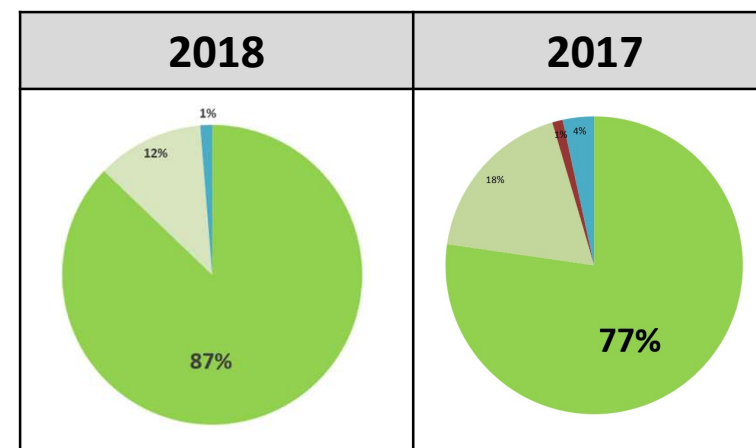

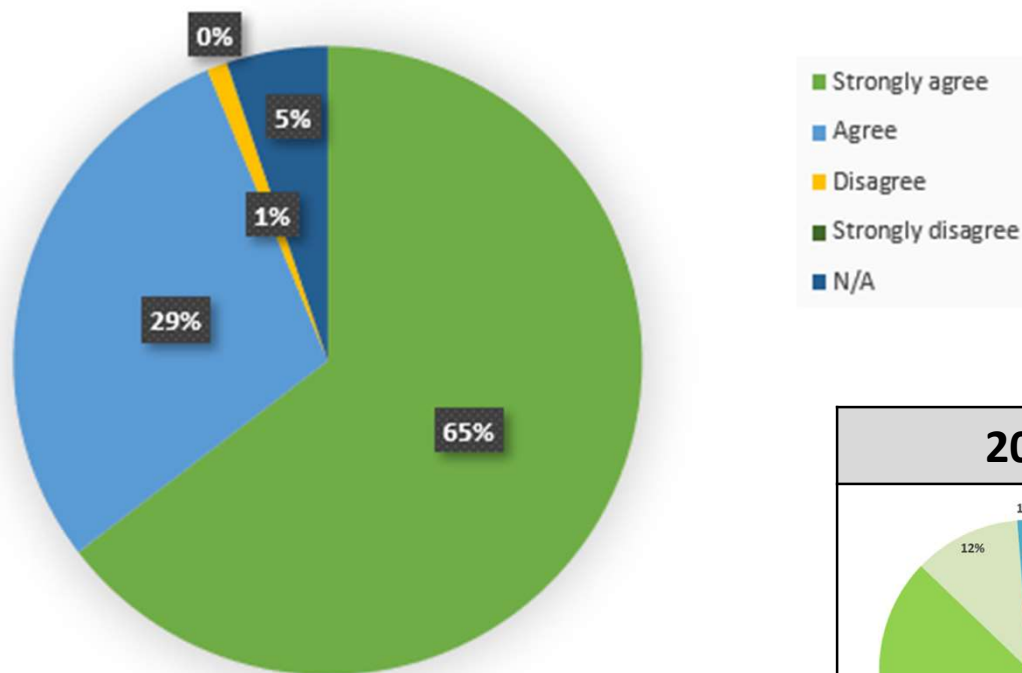

The process was fantastic and made the transition from nursery to school very manageable for my child and myself

The information pack I received at the meeting  
was very useful

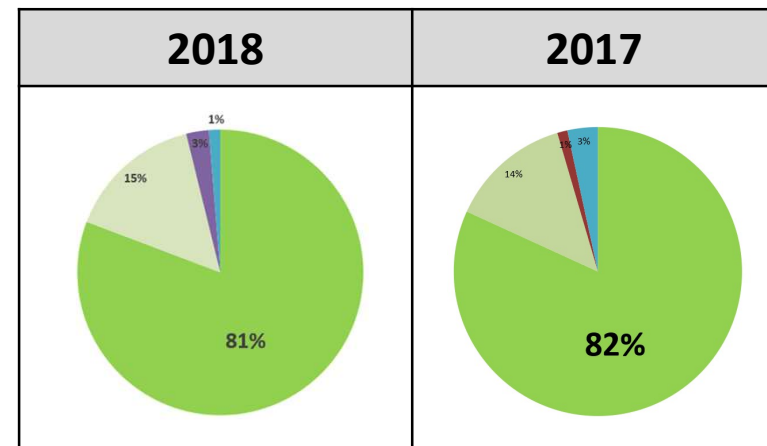

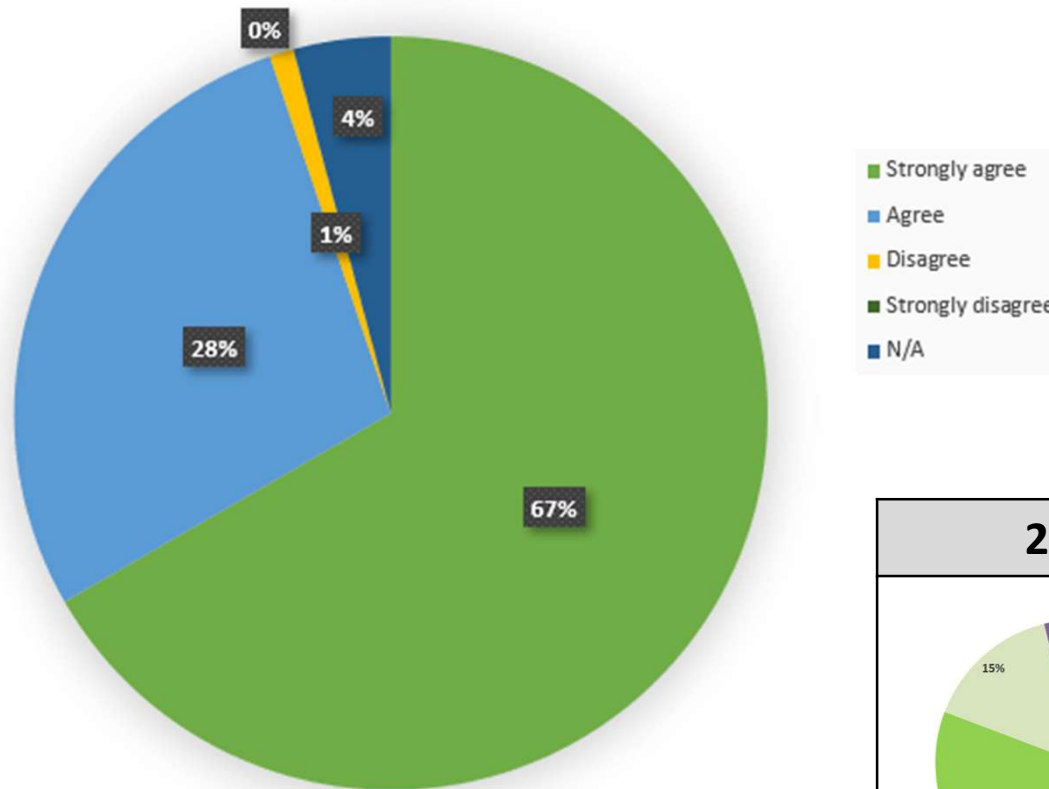

The welcome pack was particularly useful in getting everything ready for the start of school

The preliminary afternoon visits my child and I were invited to attend helped familiarise ourselves with the classroom, class teacher and LSA

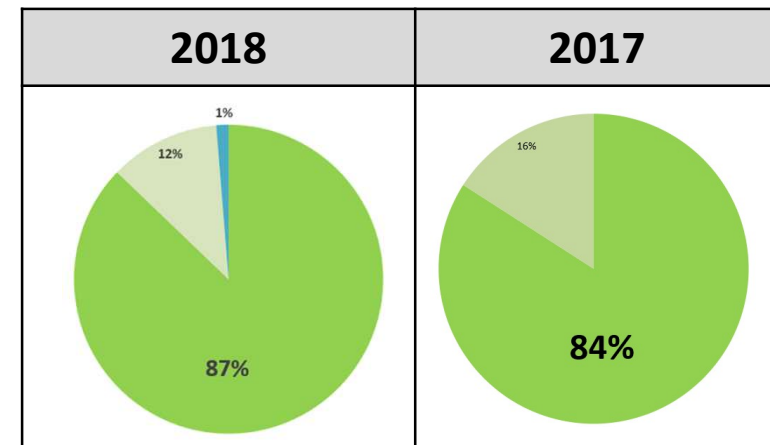

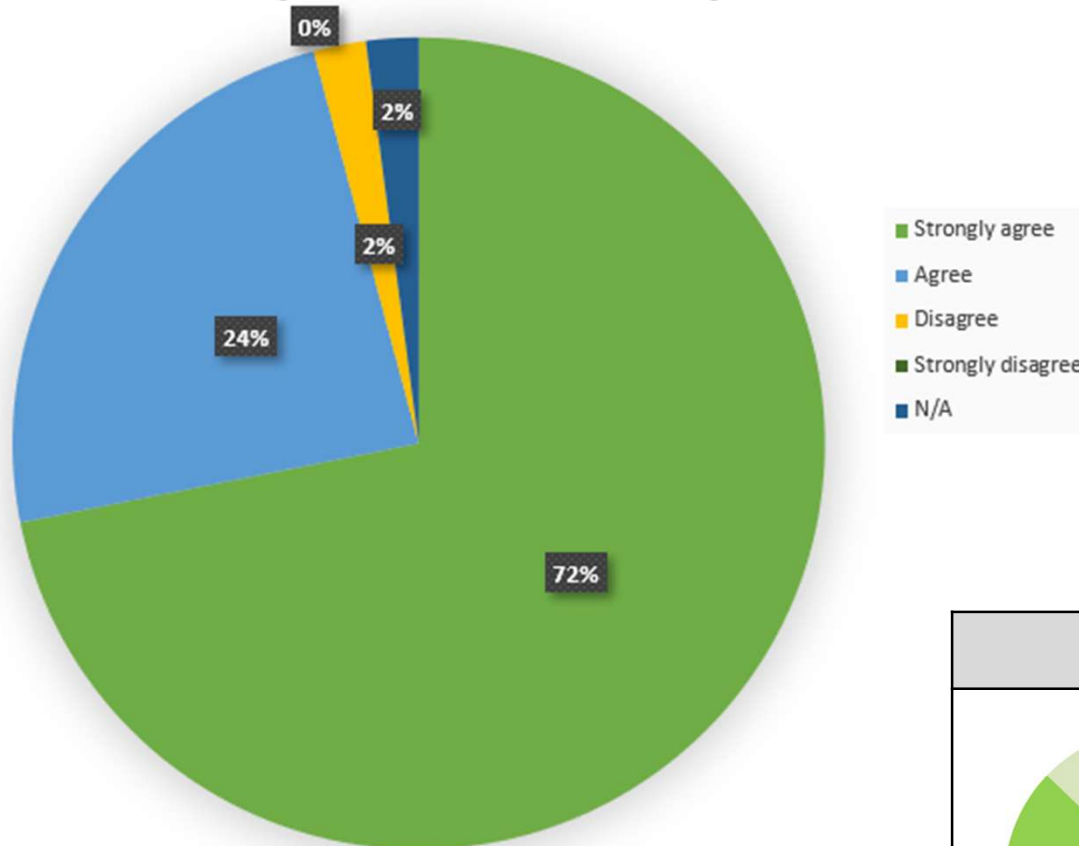

Really pleased with the way our daughter has settled in and the way she talks about what she has done at school

The home visit from my child's teacher and LSA was a useful time for getting to know each other and sharing confidential information

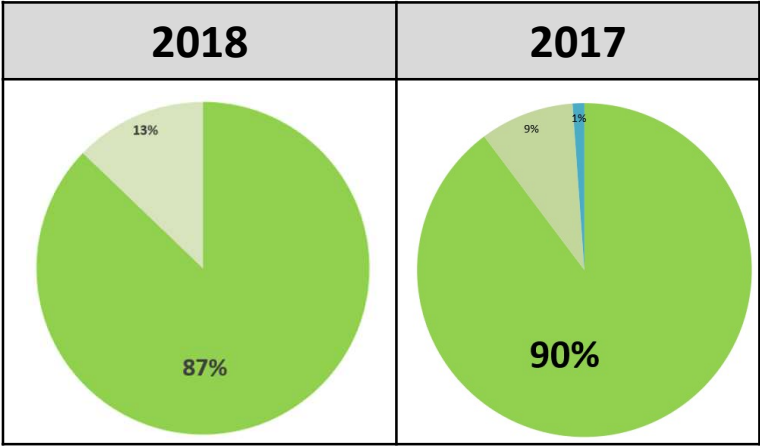

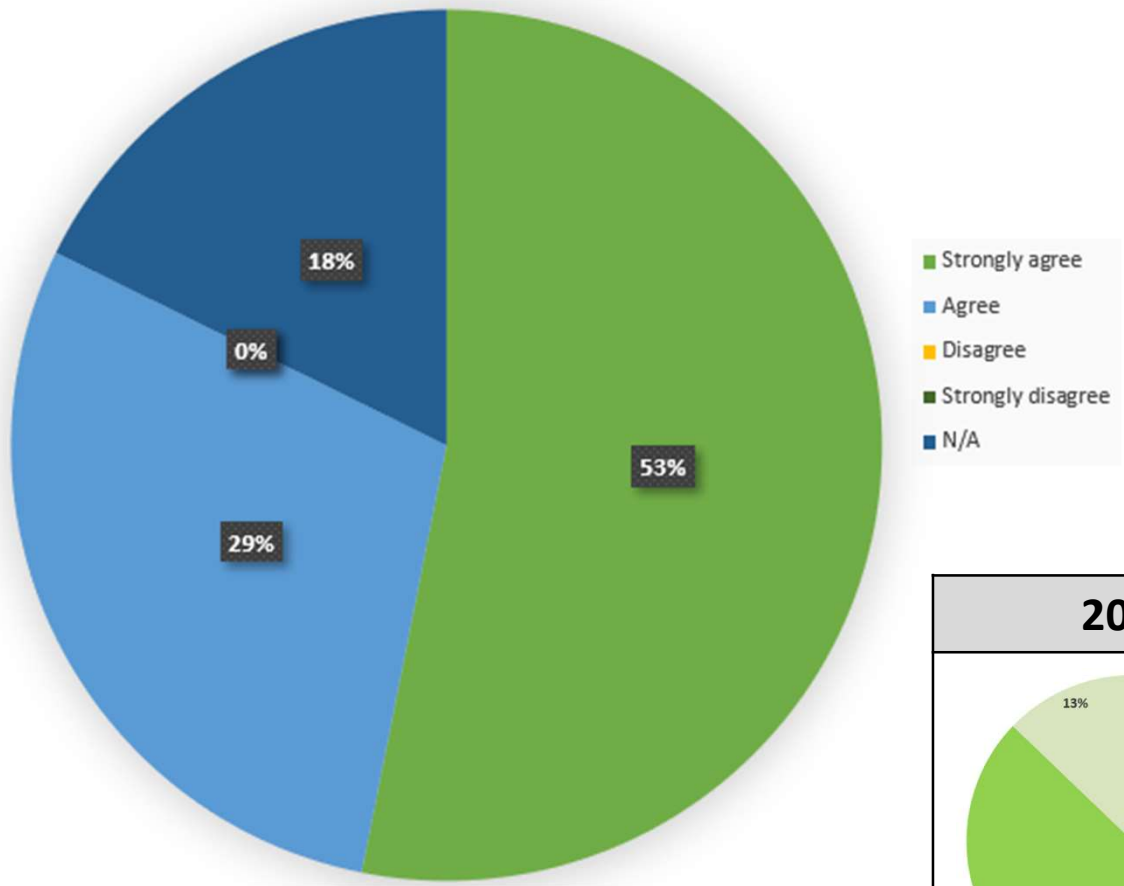

Our teacher home visit was on the same day as the first day of school, so for such a young child it was great to see the teacher in the morning and then attend school in the afternoon. This made my daughter's first day seamless and the rest of the week went really well.

I have felt able to approach my child's classroom staff with any concerns that I or my child have

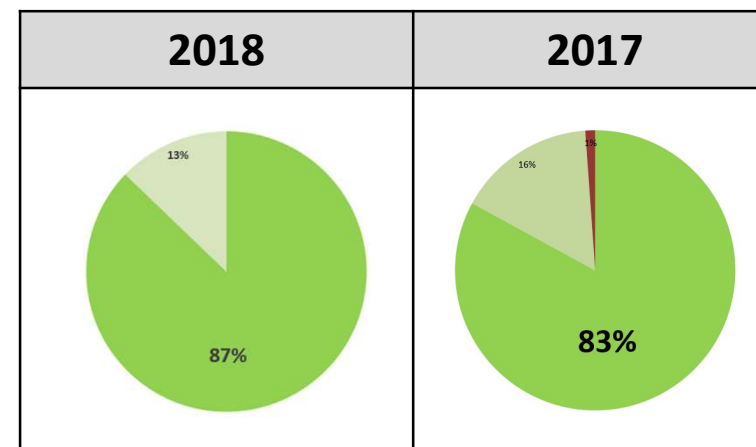

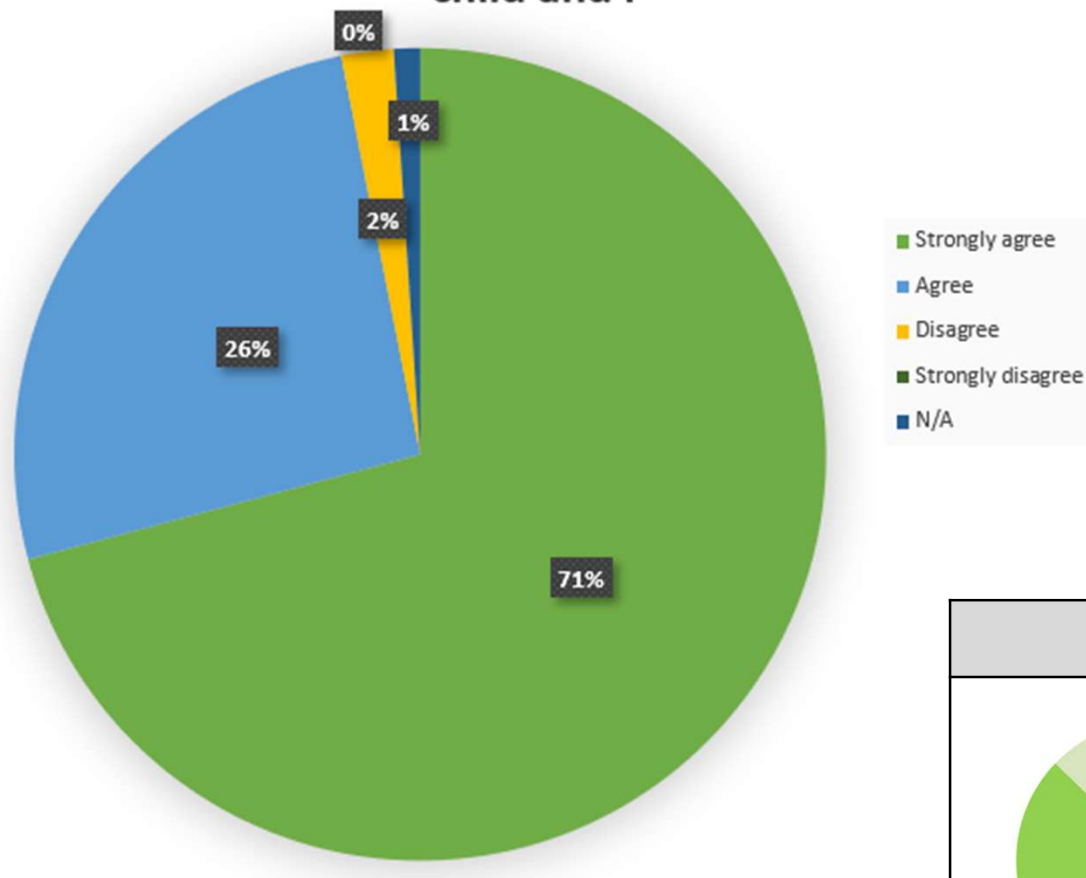

We have been extremely happy with the whole process from start to finish. The care and attention has been first class. Even small things like Mrs Turner introducing us to another parent whose son was also from out of the local nursery catchment

Parents' evening was welcoming and informative.

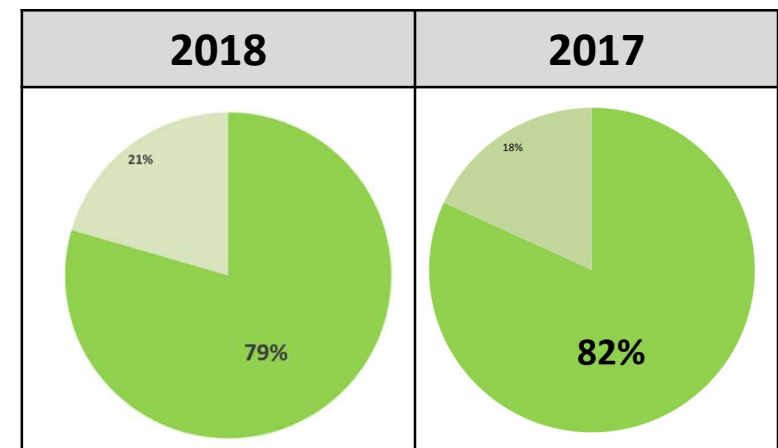

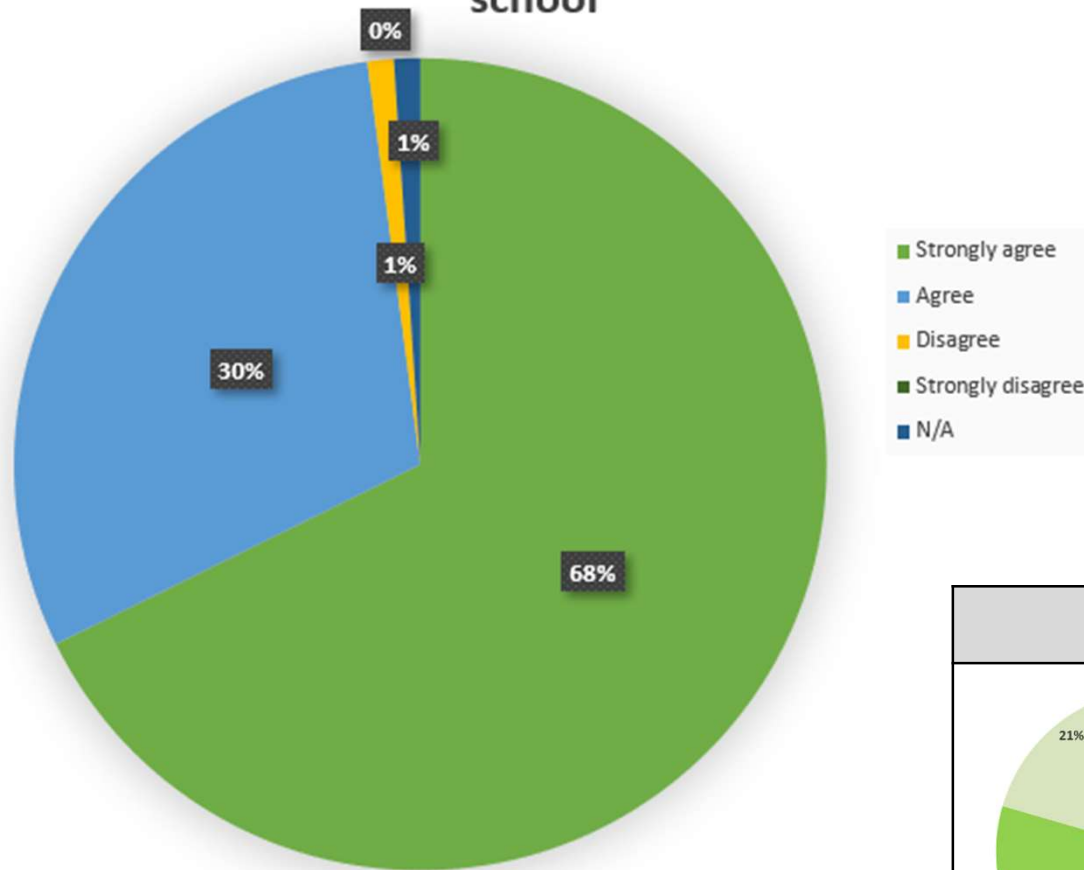

My daughter settled in well, I am pleased the first parents evening was so soon to receive some feedback.

The induction process has proved beneficial for my child and I

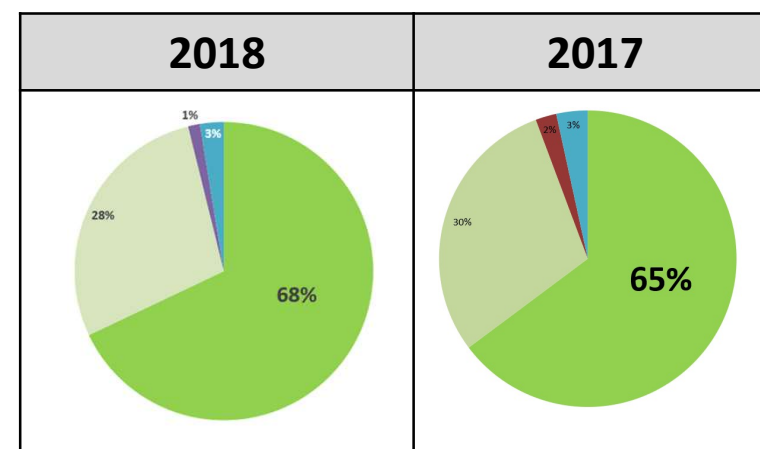

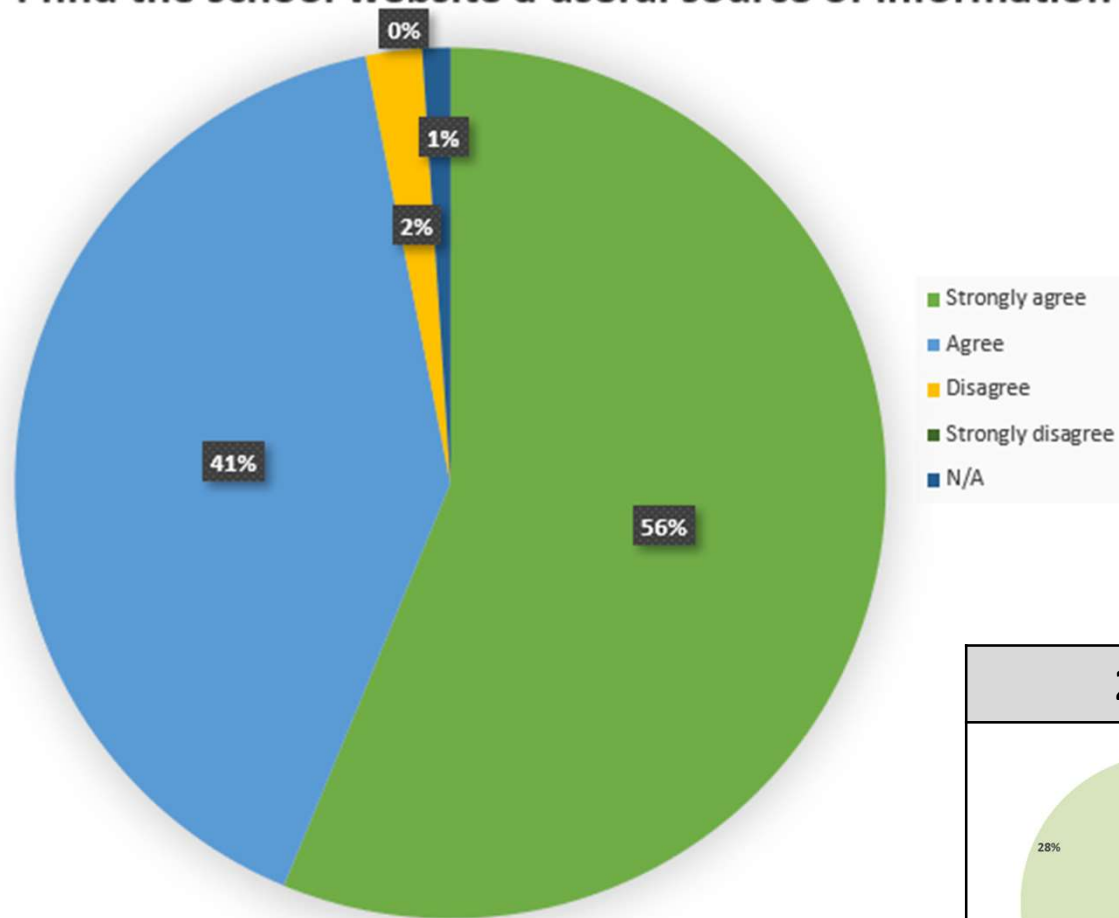

Thank you for making the process so straight forward and welcoming

My child has settled well and has been very happy in school

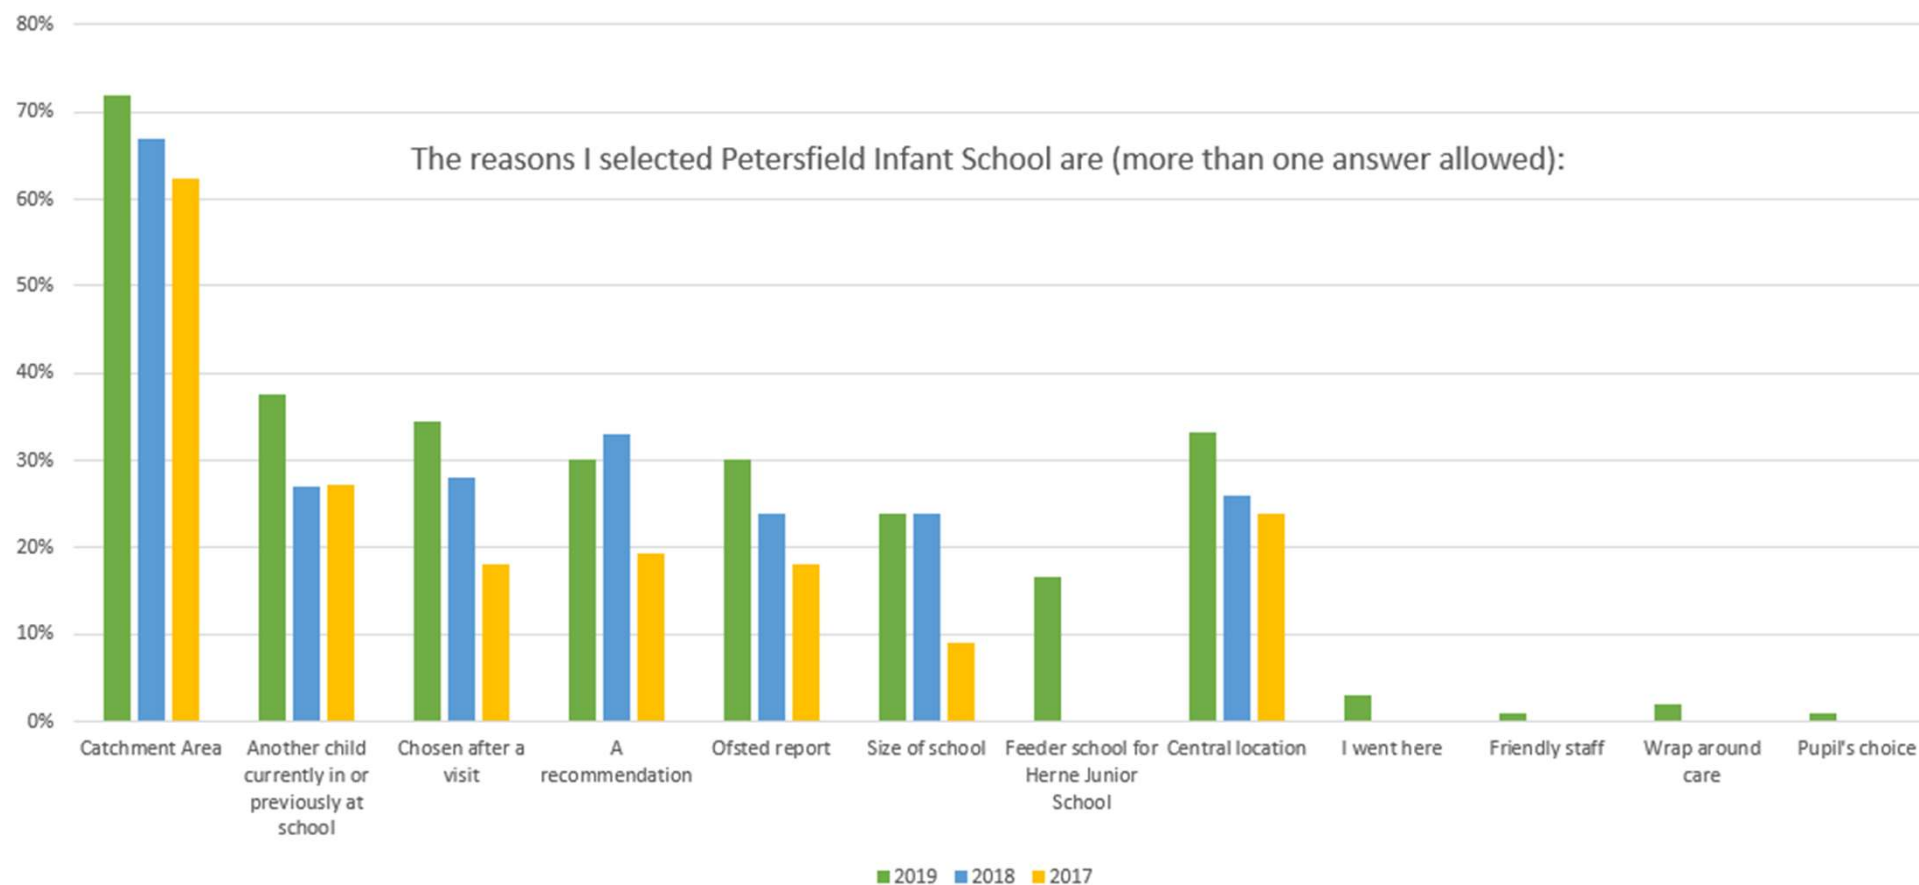

My son has settled in well and is really enjoying it so far!

I find the school website a useful source of information

The story book on the school was very good and useful in talking over the summer.

We are just hugely and consistently impressed with the school. Both our children are thriving here and clearly feel safe and secure in the environment and their learning. For such a big school it is so well organised and calm and we think all the teachers we have come to know are excellent.
